## Earn your stripes

Crocheted blankets are one of our favourite things to make, especially when we're following a straightforward and repetitive pattern like this one from Solid and Marl. This gorgeous kit comes complete with all the cosy 100% British lambswool you need to make it, an easy-to-follow pattern and a crochet hook. We love the bright colours and fun pom-poms – the perfect way to add a pop of colour and cosiness to any space! Prices from £65, find out more at [solidandmarl.com](http://solidandmarl.com)

## Nice pins!

Sewing up may not always be top of our to-do list, but these Pony pins will make the last stage of your projects far more enjoyable. Perfect for piecing knitted or crocheted sections together ready for stitching, these beautiful wool pins have rounded tips decorated in organic colours that are applied by hand. Available in 5cm, 7.5cm and 10cm lengths, they won't damage yarn and will look super pretty in your pincushion!
