## 3 DOUBLE TROUBLE

Here at *Simply Knitting*, we are all environmentally conscious, so we love these new double-pointed needles from Pony that are sourced from sustainable forests and manufactured without artificial dyes or pigments. Each set contains five sets of five double-pointed needles in the most popular sizes, and they even come in their own handy carrying case! Two lucky readers will win a set, worth £61 each. **For stockists email [groves@stockistenquiries.co.uk](mailto:groves@stockistenquiries.co.uk).**
