

FLUFFY BUNNIES

Rico has launched a super fluffy, super chunky yarn perfect for winter knitting.

Rico Creative Petit Lapin Super Chunky is a 100% polyester faux fur yarn that comes in a range of on-trend pastel and neutral shades.

The brand has also released a range of designs including fashion such as a trendy cardigan and waistcoat, accessories, homeware and toys.

Rico Creative Petit Lapin Super Chunky is as soft as its name – which means “little rabbit” in French – and knits up on 8-10mm needles.

A Rico spokeswoman says: “Mega cool and super soft, our new faux fur yarn Creative Petit Lapin creates super-soft knitwear. With this wonderfully cosy fur yarn and new knitting leaflets you can create unbelievably snug knitted items, which are not only incredibly comfy but also have a mega cool look.”

BEAUTIFUL BRAIDS

The age-old technique of ply split braiding is having a renaissance and Pony has released a brand new needle to get you started.

For centuries this simple technique has been used to create decorative pieces and with this easy-to-use needle you can make your own modern woven fabrics.

Pony's 10cm Ply Splitting Needle retails for £6.99 and offers plenty of ideas to adorn your knits. Why not add a braided belt, bag handle or edging to your current WIP?
